Notes

1. Extracted from the gender free competition result, with female riders removed.
2. Separate gender fair female competition result.
3. Calculated by the addition of the gender free position results for nominated riders; top 3 of 4 to count.
4. Addition of male individual positions as calculated in (1) across three events.
5. Addition of female individual positions as calculated in (2) across three events.
6. Addition of an individual's positions in the gender free result across the three events; under 21 at registration.
7. Addition of an individual's positions in the gender free result across the three events; 35 and over at registration.
8. Addition of an individual's positions in the gender free result across the three events; never competed at SNOW JACK before.
9. Calculated by the addition of the gender free position results for nominated riders; top 6 of 8 to count in each event.
10. Calculated by the addition of the gender free position results for nominated riders; top 3 of 4 to count in each event.
11. Calculated by the addition of the gender fair (2) position results for nominated female riders; top 3 of 4 to count in each event.
12. Where guest riders compete, their place is removed before any calculations take place.
