

**ARMY WINTER SPORTS ASSOCIATION**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31 MAY 2015**

## **INTRODUCTION**

1. The Army Winter Sports Association (AWSA) was founded (as the Army Ski Association) in 1947. Since then it has encouraged generations of Army service personnel to take to the snow and ice. It has been instrumental in organising competitions from novice to the highest levels of proficiency. Many of its members have gone on to represent the Army and their country at the Olympic Winter Games and in other national and international events.
2. The AWSA's task, as it was in 1947, is to encourage service personnel to participate in Winter Sports; to develop their skills in a chosen discipline; and to test themselves in demanding conditions, thereby fostering self-discipline, fitness, courage and teamwork. Winter Sports contribute directly to military output and fighting spirit, are an essential part of decompression from operations and remain an important element of the moral component.
3. The Association has some 1500 members and a full programme of events. It receives direction from the Combined Services Sports Board (CSSB) and the Army Sports Control Board (ASCB).

- c. Assisting in the defrayal of costs of athletes representing the Army at Inter Service competitions.
- d. Maintaining a reserve to ensure subsequent years competitions can be conducted should income reduce.
- e. Supporting elite athletes at national and international competitions.

15. **Expenditure.** The Trustees agreed the following:

- a. **Events.** The main Army Championships (Alpine, Snowboard, Telemark, Nordic, Cresta and Ice Sports) were each provided funds to run the events in accordance with the direction provided by the Trustees.
- b. **Protocol.** A maximum of £25K could be spent on Protocol, which included VIP hosting at Army events, the Chairman's Dinner and the 2014 Cocktail Party.

This reserve will be drawn down only with the specific agreement of the Trustees. A proportion of the Reserve, as determined from time to time by the Trustees, may be held in Investments.

18. **Investments.** The Charity may invest for the purpose of medium term growth (2 – 5 years) with a strong emphasis on securing capital, income is not a requirement.

19. **14/15 Financial Overview.** In detail, there was an excess of income over expenditure of £4381.96, which was in accord with that approved by the Trustees. The report has been filed with Companies House.

#### **LT GEN LORIMER DSO MBE CHAIRMAN'S REPORT 14/15**

20. Once again for the 14/15 season, we saw another high level of participation, more particularly in one or two corners of the Army, where the habit of taking part in Winter Sports had seemed lost. This has been maintained for 15/16 and you may be aware that we now have a reserve list of units wishing to attend Exercises SPARTAN HIKE and PIPEDOWN.

21. In the 2015 Inter Service competitions, for the second year running we were forced to share the team spoils with athletes from the other two Services, perhaps to a greater extent than I would have liked. In Alpine, we came second to the RAF in both the Army Men and Ladies teams at Meribel; Alpine has now appointed a longer term Team Manager, which will hopefully bear fruit. The Army Ladies snowboarders were very dominant and easily won the combined inter-Service prize, with the Men coming in just behind the Royal Navy. In Ice Sports, we got back to winning ways in the Male Bobsleigh event, thanks in the main to 3 PARA which provided most of the team. There is work to do on the Ladies team and in Skeleton. Another clean-sweep in Luge proved that we continue to have plenty of talent on the Ice. In Cresta, it was the same story as 2014 and we were narrowly beaten by the Royal Navy and Royal Marines. The good news is that the Army continues to dominate Nordic and Telemark racing, although neither discipline should take the emerging Royal Navy and Royal Marines team for granted once they set their sights on a goal.

22. Whilst not in an Olympic year, there were two notable performances. LSgt Lamin Deen had a very good season, culminating in a 5<sup>th</sup> place in the 4-Man World Mens Bobsleigh Championship and Sgt (Retd) Mick Brennan continues to do well in the Paralympic programme, despite a number of injuries. I commend them both for their skill and commitment at the pinnacle of their various winter sports. These and other stories can be found in the excellent Snow and Ice Magazine which many of you will have read and there are copies available in this room. I would personally like to thank Catharine Moss for her hard work, not only as Editor of the Magazine, but for managing the website as well, both of which are going from strength to strength. We wish her well in Milan.

23. The AWSA is in fine fettle and the very best of wishes to everyone.

#### **SUMMARY**

26. It has been another very good 14/15 season.
