

AWSA Nordic (Biathlon & Cross Country) Colours @ 04 Feb 17 *(Italics denotes Junior)*

We currently only list athletes awarded Army Biathlon or Cross Country Colours from 1998 - 2017, but have also added the International honours for these listed athletes who first represented GBR before 1998. We believe that this list is 100% accurate from 1998 onwards with regard to the Inter Service representation. The International records for Biathlon are also believed to be 100% accurate ref Olympic Winter Games / World Cup / World Champs. For International, the year e.g. 2011 implies season 2010 - 2011.

International Cross Country records are almost non-existent in the UK and we need to research them further. Biathlon European Cup & Junior records are currently not held on IBU database prior to 2001, and we do not expect to verify them, or to add all the pre 1998 Colours to this list before 2018. Please Email any amendments or additions to Mark Goodson: info@britishbiathlon.com.

Olympians are shown in Bold and lists of all the Army's Olympians can be found on the link to "Olympians" in the AWSA website (www.awsa.org.uk)
