RACES: A = XC Relay; B = XC Individual; C = Biathlon Individual; D = Biathlon Relay; E = Military Patrol Race

SCORING:

Finishing place is as recorded in Official race results. Any team which starts a race but fails to finish or is disqualified will be given a points score of the last team to finish the race plus 1. If a team does not start a race for any reason whatsoever, the team will be given a points score of the last team to finish plus 2. (2024 AWSA Rules, Annex A, Para 3).

Relays & Patrol Race: Points are awarded to all competitive teams in descending order from first place, at a constant difference of 4 points, awarding last place 4 Points. At SH24 this results in first place getting 128 Points. These are multiplied by the number of Novices in each relay team to give a Unit Score.

Individual Races: Points are awarded to all Novice skiers, in descending order from First Place, excluding non-novices, such that every Novice has a chance of scoring 1 Point at least. Both races are equally weighted, so that first place in either race scores the same points. At SH24 this results in First Place being awarded 119 Points.

In the (very unlikely) event of a tie, the final order will be decided on the best total score in each competition in the following order:

Military Patrol Race – Biathlon Relay – XC Individual – Biathlon Individual – XC Relay
