

AWSA Nordic (Biathlon & Cross Country) Colours 1948 - 2025 @ 06 Feb 25

(# indicates athlete was also awarded Alpine Colours; * indicates Junior)

There may be some omissions for International Biathlon prior to 2002, especially for those competing in IBU Cup / European Cup or Junior events, as not all records before then are archived. International Cross Country records are almost non-existent in the UK. There are a few I/S records missing - especially in the 90s - e.g. it is inconceivable that Cpl Glenn Scott could be a 1992 Olympian before competing in an I/S race! Prior to approx 1980 Colours were sometimes awarded, even if the athlete had not competed I/S or internationally; they are listed as I/S. Please Email any amendments or additions to Mark Goodson: info@sportsmarkuk.com

For International, the year e.g. 2014, implies season 2013 - 2014; Olympians are shown in bold and year (in bold) reflects the actual year of the OWG.

Lists of all the Army's Winter Olympians can be found on the link to "About Us / Roll of Honour" in the AWSA website (www.awsa.org.uk).
